

Would you like to stay living at home independently for longer?

Are you aware of Home Care Packages?

A Home Care Package provides people aged 65 and over, who want to stay living independently at home for longer, with access to a range of ongoing personal services, support services and clinical care that help them with their day-to-day activities. The program is part of the Australian Government's continuum of care for older people in Australia, providing services between the Commonwealth Home Support Program and residential aged care.

Some of the services we can provide include:

- Cleaning Services
- Garden Maintenance
- Home Maintenance
- Home Nursing
- Personal Care
- Shopping & Meals
- Social Activities
- Transport

Home Care Packages are free for full aged pensioners.

For part pensioners or self-funded retirees, some contribution may be required
